

## Chapter-I

### Particulars of organization, functions and duties

The Public Works Department (Roads and Buildings) Jammu is located in the Nirman Bhawan, Rail Head Complex near Bahu Palaza, Jammu. It is headed by the Chief Engineer who is provincial head of the Department. The Chief Engineer is assisted by Account Section headed by Chief Accounts Officer, Planning Section headed by Deputy Director, Senior Law Officer, Drawing Section, Establishment Section besides Technical Officer and Collector Land Acquisition. Down below the Chief Engineer, there are four Superintending Engineers, twenty one Executive Engineers (Civil), one Executive Engineer (Electrical) followed by Assistant Executive Engineers, Junior Engineers, Draughtsmen, Work Supervisors, Gang Coolies etc. In addition to it each Circle Office and territorial divisions have ministerial staff as well. The schematic detail is given below.

The department plays a vital and lead role in overall development of infrastructure of Jammu Province. It is the nerve centre of development of Jammu Division.

## Chapter-II

### Powers and duties of its officers and employees

**Accounts Section:-** Is deals mainly with accounts related matters of the department viz, funds received from other departments as Deposit Contribution for execution of works, non plan works, grant of in-situ promotions in consultation with establishment section, G.P Fund cases and other accounts related routine matters.

**Planning and Stastistical Section:-** This section deals with formulation of annual plans under different heads, release of funds to controlling officers, compilation of physical and financial progress under different sectors (other than Non Plan funds) including funds received from other departments for carrying out their civil works, preparing notes / data for meetings.

**Collector Land Acquisition:-** The role of the section is processing of land acquisition cases in accordance with law, preparing draft and final awards and acting as a bridge between Public Works Department and Revenue Department.

**Legal Section** :- The legal section is headed by Senior Law Officer, deputed from Law Department. The section deals with court cases, filling of objection, contempt cases and other routine matters which are legal in nature like arbitration cases, providing opinion / advice to the Chief Engineer on Law points.

**Drawing Section** :- This Section deals with checking and submission of detailed project reports of various schemes to the concerned quarters for sanction and allocation of funds besides dealing with utilization certificates of NABARD schemes, preparing of brief notes and other routine matters e.g, tenders, allotment of works etc.

**Establishment Section** :- This section deals with matters related to cadre management of employees, routine correspondence viz time bound promotion cases, enquiry report, orders, maintaining of details of posts / employees besides routine matters.

The Superintending Engineers are controlling officers for their respective jurisdictions. They are responsible for preparation of annual district plans which are subsequently approved by District Development Boards, execution of schemes at ground level, monitoring physical and financial progress of subordinate officers / territorial divisions, keeping watch over financial propriety and acting as a bridge between Chief Engineer office and District Development Commissioner's office.

The Executive Engineers holding territorial division are responsible for formulation of annual plans both plan and non plan, execution of works at ground level, preparation of detailed project reports attending court cases, land acquisition cases, procurement of material, attending regular meetings. In fact they play a very vital and pivotal role in development of infrastructure of the state.

### **Chapter-III**
